

# School Accountability Report Card Reported for School Year 2006-07

*Published During 2006-07*

## Notes regarding the source and currency of data:

Data included in this School Accountability Report Card (SARC) template are consistent with State Board of Education guidelines, which are available at the California Department of Education Web site at <http://www.cde.ca.gov/ta/ac/sa/definitions05.asp>

Most data presented in this report were collected from the 2004-05 school year or from the two preceding years (2002-03 and 2003-04). Due to the certification timelines for graduation, dropout, and fiscal information, the data for these sections of the report were collected in 2003-04. Single-year column headings refer to the school year ending in that particular year. When no year is specified, data are from the most recent school year for which data are available.

More information about SARC requirements is available at the CDE Web site at <http://www.cde.ca.gov/ta/ac/sa/>, including a SARC Preparation Guide at <http://www.cde.ca.gov/ta/ac/sa/guide.asp> and Frequently Asked Questions at <http://www.cde.ca.gov/ta/ac/sa/questions.asp>.

## III. School Safety and Climate for Learning

### School Safety Plan

Date of Last Review/Update	Date Last Discussed with Staff
<p>The De Anza Campus Safety Team consists of one member from the classroom. The Site Manager, who is also a member of the larger Agency Safety Team, heads the team. Each Safety Team Member is responsible for monitoring monthly classroom safety and OSHA risk abatement checklists. The safety team member is also responsible for maintaining adequate blood borne pathogens supplies in the classroom.</p> <p>The Spectrum Center – De Anza classroom follows all general rules and regulations as the public school in which it is located and participates in all of their safety preparedness drills.</p>	

### School Programs and Practices That Promote a Positive Learning Environment

<p>Applied Behavior Analysis (ABA) is an empirically proven method for teaching students new skills as well as decreasing challenging behaviors. Spectrum Center uses ABA methods such as Direct Instruction, Discrete Trial Training, and Curriculum Based Measures to teach academics and fluency procedures and functional skills to students with a range of abilities. In addition, Spectrum Center focuses on the functional assessment of challenging behaviors and the development of positive behavior intervention plans based on the function of those behaviors.</p>

Master's Degree	0%	NA
Bachelor's Degree plus 30 or more semester hours	100%	NA
Bachelor's Degree	0%	NA
Less than Bachelor's Degree	0%	NA

## Vacant Teacher Positions

Data reported are the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year or, if the position is for a one-semester course, a position to which a single designated certificated employee has not been assigned at the beginning of a semester for an entire semester. For the 2005-06 school year, the most currently available data are reported.

	2005	2006	2007
Vacant Teacher Positions	0	0	0

## Teacher Evaluations

Teacher is evaluated on his/her overall performance in the classroom. Teacher areas of focus include: implementation of student IEP goals, student safety, crisis management, data collection, behavior management, attendance, assertive communication, and knowledge of the population/disabilities that are represented for which they are teaching. The teacher is also evaluated on his/her supervision skills (giving feedback, working with staff, and coaching). All staff are required to complete Maximizing Success, which encompasses our Mission Statement, philosophies of teaching, strategies for supervision and safety in the classroom. The teacher has weekly meetings with his/her supervisor to discuss any areas of need and training required. The teacher's progress/performance is reflected on 6 and 12 month written evaluations. Scores range from unsatisfactory to outstanding. The teacher must pass all evaluations in order to meet probation.

## Substitute Teachers

Spectrum Center Schools provide teacher's assistants who support the room and provide consistency for students when the teacher is away. These staff may include an Associate Teacher and/or an Instructor Level 2. In addition, each classroom has an Education Coordinator who works closely with students and staff in their assigned classrooms. An Education Coordinator completes behavioral assessments, behavior plans, collaborates with the teacher to develop IEP goals and monitors their implementation. All of these staff work directly with students and are familiar with students' schedules, behaviors, and IEP goals.

## Counselors and Other Support Staff

Data reported are in units of full-time equivalents (FTE). One FTE is defined as a staff person who is working 100 percent (i.e., full time). Two staff persons who each work 50 percent of full time also equal one FTE.

Title	FTE
Counselor	0%
Senior Clinician	0%
Education Coordinator	33%
Clinical Assistant	0%
DIS staff (APE/OT)	20%
Speech/Language/Hearing Specialist	25%

## Academic Counselors

Data reported are in units of full-time equivalents (FTE). One FTE is defined as a staff person who is working 100 percent (i.e., full time). Two staff persons who each work 50 percent of full time also equal one FTE. The ratio of students per academic counselor is defined as enrollment as reported by CBEDS divided by the full-time-equivalent academic counselors.

Number of Academic Counselors (FTE)	Ratio of Students Per Academic Counselor
0%	NA

## VII. Curriculum and Instruction

### School Instruction and Leadership

Spectrum Center provides individualized instruction based on the specific student's needs. Our classrooms provide instruction in all of the IEP domains to include academics, communication, social skills, independent living skills, vocational preparation, and behavioral programming. Each Spectrum Center campus is run by a Director whose job is to provide leadership, direction and decision making to assure quality programming. All campuses employ the behavioral expertise of a Senior Clinician who provides mentoring on clinical issues and training to all staff. In addition, each campus provides support to classroom staff by assigning an Education Coordinator who gives educational and behavioral support to each teacher. The Education Coordinators meet weekly with teachers and classroom staff to discuss student academic and behavioral progress.

### Professional Development

Spectrum Center offers teaching staff an opportunity to join a cohort credential program (Level 1 or 2 credentials) or obtain their master's degree in Special Education through California State Sacramento. Teachers receive a stipend every year in order to help continue their education and other teaching staff have access Spectrum Center scholarships. All staff are required to complete a six-month training manual called Maximizing Success, which encompasses our mission statement, philosophies of teaching, strategies for supervision, ABA principles, data collection, and safety in the classroom. All of our staff are required to attend crises management training. Throughout the school year teaching staff receive trainings, when appropriate, in using board maker, PECS, TEACCH, token economy systems, and social skills strategies. The week before the Fall semester begins, all staff receive required trainings including but not limited to: CPR, 1st aid, Hughes Bill, incident report writing, emergency preparedness, blood borne pathogens, student supervision, FMLA/Hippa, safety in the workplace, sexual harassment, Child Protective Services, and universal precautions.

## VIII. Postsecondary Preparation

### Workforce Preparation Programs

Spectrum Center is a state Workability I Program site. As such, the program provides comprehensive vocational training, employment and transition services based on students' IEP/ITP goals and plans. Our Workability I services include integration of SCANS skills through contextual learning, career and vocational assessments, career counseling and guidance, career awareness and exploration activities, portfolio development, vocational training and employment. Our work training and employment program is designed to give students skills in job search, interviewing and job retention. Students learn practical job skills at various employment sites based on their interests, skills and abilities. Our program goal is to teach our students skills so they can live and work as independently as possible regardless of whether students will later be served in adult programs, placed in supported employment or enter competitive employment.

## IX. Fiscal and Expenditure Data

### Teacher and Administrative Salaries (Fiscal Year 2006-07)

Data reported are the district salaries for teachers, principals, and superintendents, compared to the state average salaries for districts of the same type and size, as defined by *Education Code* Section 41409. Data are also reported for teacher and administrative salaries as a percent of a district's budget. Detailed information regarding salaries may be found at the CDE Web site at <http://www.cde.ca.gov/ds/fd/cs/> and <http://www.cde.ca.gov/ta/ac/sa/salaries0304.asp>. *Note: County offices of education are not required to report average salaries and expenditures. The CDE's School Fiscal Services Division does not calculate statewide average salary and expenditure information for county offices of education.*
