A Note from the Director . .

We are so excited to announce our plans for our summer session. Students have always benefited from Extended School Year (ESY). This year it will be needed more than ever due to the pandemic. COVID has disrupted the lives and learning of students, and now we have a chance to address gaps and prepare students for a successful transition in the fall. The Camden Campus plans on inviting all students back Monday through Thursday from 8:30 to 12:30. We look forward to seeing you then.

This month we found new ways to be together! Classrooms had virtual cooking groups and art groups online. Our staff delivered food and materials to each of our families. Each student got to choose what they had for lunch and everyone enjoyed it. You can see we have some amazing artistic talent displayed in our paint-along!
