Delta Campus

From the director:

March has been an exciting month. We welcomed back daylight savings time. That extra hour of sunlight has made everyone a little happier. The Spring equinox on the 20th signals that Spring has officially begun. The flowers are blooming with color everywhere you look. We are getting our campus garden ready for students to plant their favorite flowers, fruits, and veggies. The 17th was St. Patricks Day. We celebrated with the wearing of the green.

The staff are excited to welcome back the students for in-person learning. All safety protocols are being followed. Please feel free to contact me if you have any concerns about your child.

Jolie Ferguson, Director

Slice and Bake St. Patrick's Day Cookies are a fun, festive and yummy treat to make for the March holiday that kids go nuts over!

COOKIES RECIPE

Prep Time10 minutes
