ALL EYES ON THE NEW SEASON

Students Back on Campus!!!

On November 2nd Delta Campus welcomed back students under the Small Cohort Guidance for in person supports.

Currently we have 14 students coming to campus 4 days a week across our 7 classrooms. It has been reinforcing for both students and staff.

Participation in Distance Learning

We are proud of the level of daily interactions and participation from students on synchronous learning sessions. Last week we had 100% of our students engaged in learning! Shout Out to teachers, students and parents for ensuring that learning is made possible during these times.

Welcome Autumn
