February was Black History Month. We at the Delta Campus recognize that black history is American history, but black history month provides us with an opportunity to dig deeper into the contributions and successes of black americans.

Every February, we can support students as they learn more, discover cultural impacts, and follow movements through to the present day.

This month we also celebrated—

Feb 2 - Ground hog day

Punxsutawney Phil predicts 6 more weeks of winter.

February 14 - Valentines Day

February 15 - Presidents Day

Looking forward to March . . . . .

March 17—St. Patrick's Day

March 20—First day of Spring
