Dear Care Providers and District Partners,

February was full of many holidays and celebrations. There was the Superbowl, Lunar New Year, Perseverance landed on Mars, Presidents Day, Valentines Day and Black History Month. An exciting time to look forward to is Spring Break which will be from March 29th to April 5th. Thank you again for your cooperation and ensuring the safety of your children and our students.

Black History Month, which is an annual celebration of achievements by African American people and recognizing their roles in United States history. At Spectrum Mission Valley we are excited to celebrate Black History month through conversations, articles, and lessons.

Mindfulness Corner

If we all do one random act of kindness daily, we just might set the world in the right direction.
