

Spectrum Long Beach Campus News

January 2021

Message from the Director

Dear Parents/Guardians:

Welcome back and Happy New Year to all of you! We hope you had a restful and joyous holiday break.

Our staff have returned, prepared to continue to provide exceptional instruction. We are mere weeks away from our first semester being completed and I cannot stress enough how important it is for your child to participate in their synchronous lessons. Please help support them by providing guidance and reinforcement at home. Remember to check their completed schoolwork and join our Monday Check-Ins if you have any questions. Our teachers will continue to drop off work materials weekly following all county guidelines.

Beginning January 11th our STAR Assessment window begins and will run through January 29th. Your child's teacher will be scheduling individualized appointments to test virtually if it is required. Please make sure they are rested and have eaten a nutritious meal before beginning their test. We will do our part by offering support staff for guidance and tangible reinforcement for trying their best.

The last few days have been a sad time for our democracy and country. Please continue to check in with your child as they process current events in our country.

Thank you for your prevailing dedication to your child's education.

Brenda Donabedian

Interim Director

Curriculum & Instruction Specialist

STAR TESTING WINDOW
January 11th -29th

1st SEMESTER ENDS
January 28th

Report Cards and Benchmarks will be mailed home.

**Make sure we have your current
address.**

Spectrum Long Beach Campus News

Counselor Corner

Suicide rates have risen in an alarming rate among young people age 10-24. It is our mission at Spectrum Long Beach to care about the whole child and their mental well being is included in that. Make sure your child attend's their counseling sessions and works closely with our counselors. If you see any signs your child is struggling reach out immediately. We need to take them seriously!
