*Message From the Director*

Dear District Partners:

I want to express how grateful I am for your continued trust in Spectrum Long Beach during these unprecedented times. Remote learning has not been without its challenges, but we are committed to continue to offer quality instruction, behavior support and individualized 1:1 sessions.

I sincerely want to express our gratitude for the additional support we have received from our campus principals. It is through their assistance I have been able to hold drive through curriculum pick ups and staff picture day while still adhering to social distancing and county guidelines.

Spectrum continues to have the privilege of working closely with many district employees, however I would like to take this opportunity to recognize two exceptional team members: Suzi Caskey and Amy Kutis.

Suzi, our LEA has sustained our efforts in finalizing 25 IEPs during our first quarter. Amy, a Lakewood S & L service provider, has been instrumental in providing quality speech sessions, teacher trainings and bridging the gap between new campus administration and Spectrum. We salute you!

In closing I want to wish all of you a safe and joyous Thanksgiving.
