November 2020

School Re-opens!

Peninsula Campus welcomed students for in-person instruction on Monday, November 2, 2020! Students have returned under a phased hybrid schedule, where they are assigned to one of two groups, and attend two days a week for in-person instruction and continue with a rigorous distance learning program where they are able to virtually interact with their peers and teachers the other three days a week. Peninsula Campus has implemented hygiene routines into the school day, practicing frequent hand washing and sanitizing. Outdoor instructional areas have been set up to promote physical distancing. It has been wonderful having our students return and bring life back to our school!
