

Season's Greetings

Happy Holidays from Rossier Park School!

As we close out the **Year 2020** we wanted to reflect on some highlights.

-We graduated 11 students with a diploma

-We sent 13 students back their public schools

-Successfully started Hybrid classes. We have an established daily routines and structure to maintain a more conducive learning environment. Per Michael Del Rosario, teacher.

Choices are offered to students while high expectations are maintained. Parents are constantly encouraged to be involved via parent orientations, phone calls, text messages, emails, and individualized student schedules and lesson plans.

A team environment is emphasized, and each student has a role. In addition to direct instruction (whole group, small group and individualized), we use lots of visual aids including high quality instructional videos to facilitate and support comprehension.

Most importantly, staff start their day well-prepared.

Please contact Diane Kurita with any questions.

(714) 562-0441-7100 Knott Ave., Buena Park , CA 90620

Our students are reading more than ever during COVID. We have one high school class reading The Hunger Games Trilogy another class is enjoying The Last Kids on Earth series. Our functional classes started Native American stories and had a classroom Holiday feast.

Rossier will be on Holiday break December 21– January 1, 2021.

Be safe and have a healthy Happy New Year!!!

Classes resume January 4th
