

Current Enrollment

Below you will find our current enrollment numbers and available seats.

<i>Classroom</i>	<i>Grades served</i>	<i>Current Enrollment</i>	<i>Vacancies/ Available seats</i>
10	3rd-6th	11	1
11	1st-3rd	11	1
12	TK-1st	11	1
13	Pre-K-K	9	3

Campus Update

Due to a recent surge of covid-19 cases on the Spectrum Jurupa Elementary campus, we had to temporarily transition to 100% remote learning for the month of December. We are excited to report that Spectrum Jurupa will resume in-person instruction on January 11, 2020. Our transition to in-person instruction was a success for many of our students. We are especially eager to share that many students successfully tolerated wearing masks during in-person instruction with minimal prompting.

Happy Holidays!

Our students and staff have traditionally held an annual Christmas program for our families. While we were unable to do that this year, our teachers incorporated holiday fun in lessons throughout the month. Students and families were also invited to participate in a Holiday Spirit day where families are invited to dress festive, decorate their schoolwork area with Christmas lights or other decor, and bring their favorite holiday treat to class. Together, classes will sing some Christmas songs, learn how to write a Christmas wish list for Santa and enjoy their favorite holiday treat.

*"Every child is gifted; they just unwrap their packages at different times."
