

HELLO February

Tara Hills Campus Newsletter

It's that time of year again!

Students in California are required to take a variety of assessments throughout their school careers, and

this year may mean your student needs to take one or multiple assessments this Spring.

Statewide Assessment windows have begun to open for many of our districts. Please be on the look out for a letter outlining which assessments if any, your student will be taking this spring.

It's important that students can focus and put forth their full effort while taking these tests. For that reason, please make sure your child comes to school well-rested and ready to demonstrate how much they've learned over the course of this school year.

If you have any questions about statewide assessments, don't hesitate to reach out. Our Testing Coordinator this year is Mr. Len Castro, Lead Teacher You can reach him by calling the main campus line (510) 724-4494 or by email lcastro@chancelight.com

Community Walks

Students from room 101 and 127 enjoyed a rare break from the wind and rain to go on a community walk in the neighborhood. During their walk, students practiced identifying safety signs, staying with the group, street crossing, and looking for various plants and animals along the way.

For more information on our programs, enrollment inquires or general questions please contact :

Dr. Thelmisha Vincent –Program Director
