

A Note from the Director :

November offers us a time to remember what we are most grateful for and to share our bounty with others. It afford us an opportunity to remember the collective strength of collaboration toward a common goal. Here at Spectrum-Antioch, we work with our families and community in the best interest of the children we serve. When we combine our strengths we accomplish great things. I am grateful for all of you and the work you do. None of us can do it alone.

AWARENESS

Have you ever wondered what we do before and after school?

Our team is busy preparing materials, reviewing academic and behavior data, and discussing strategies to support our students. We meet together in classrooms teams before school and clinical meetings take place after school. Our planning time is important to the important work we do and essential for student success.

IMPORTANT:

Please ensure your students do not arrive before 8:30AM.

We do not provide before or after school care. Our staff will meet you and your child in front of the building and escort your student to class.

Dismissal begins at 2:45 so please ensure your children are picked up promptly by 3PM.

Celebrations

Highest Student Attendance for November goes to Classroom #6, our post secondary classroom headed by Janet Tito. This group of students achieved 95.14% attendance! Way to go!

NEW FACES on Campus

Please help us welcome our talented new staff:

- Deanna Asuncion
- Tommy Jenkins
- Yoshi Rosaz
