

A Note from the Director :

October flew by as fast as the leaves are falling. Students and staff are settling into routines and another year is well underway. Several classrooms went on field trips to the pumpkin patch and other classrooms have outings in the works. Stay tuned!

As the business of the holidays season approaches , be sure to take time to relax and enjoy the festivities.

AWARENESS

Every minimum day is a day of learning for our staff. After students are dismissed for the day, we focus on building skills to support our students. We learned the building blocks of special education, categories of eligibility, as well as the types of challenges our students face. Staff in our mobility and medically fragile classroom received training to use the specialized equipment and our teachers learned about annual standardized assessments.

JUST FOR YOU!

Family Support Meetings will be held on Teams the last Wednesday of the month from 6:00PM to 7:30.PM. The purpose of the meetings is to provide information and support to our Spectrum-Antioch families. This is a great way to meet other families to share your successes or get extra support from people with similar experiences.

NOVEMBER TOPIC: PECS and Communication

Watch your email for a link to the meeting closer to the event.

NEW FACES on Campus

Please help us welcome our talented new staff:

- Gracia Gutierrez
- Loretta Stanberry

IMPORTANT:

We do not provide before or after school care.

Please ensure your students do not arrive before 8:30AM or stay later than 3PM
